

INTEL SOFTWARE LICENSE AGREEMENT (Alpha, Beta, Prototype Site License) for Intel® RealSense™ 3D Camera

By clicking the Accept button, I signify that I have read and accept the terms below.

IMPORTANT - READ BEFORE COPYING, INSTALLING OR USING.

Do not use or load software from this site or any associated materials (collectively, the "Software") until you have carefully read the following terms and conditions. By loading or using the Software, you agree to the terms of this Agreement. If you do not wish to so agree, do not download, install or use the Software.

Please Also Note:

- The Software has to be installed to use the Intel® RealSense™ 3D Camera.
- In the event of a conflict between the terms of the software license agreement posted on this site and the terms of the software license agreement delivered with the Software, the terms of the software license agreement delivered with the Software will control.
- If the Software contains pre-release "alpha," "beta" or "prototype" code, the Software may not be fully functional and Intel may substantially modify the Software in producing any "final" version. Intel can provide no assurance that it will ever produce or make generally available a "final" or "production" version of the Software.
- If the Software contains "final" or "production" code, the Software may be subject to the terms of a license agreement delivered with such Software. In such case, the terms of the license agreement delivered with the Software will control.

LICENSE. Intel hereby grants you a limited, nontransferable, non-sublicenseable, nonexclusive, royalty-free, fully-paid license under Intel's copyrights to use the Software with Intel 3D Camera hardware only and solely for your organization's internal evaluation and testing, subject to these conditions:

1. You may not copy, modify, rent, sell, distribute, externally display, externally perform or transfer any part of the Software except as provided in this Agreement, and you agree to prevent unauthorized copying of the Software.
2. You may not reverse engineer, decompile, or disassemble the Software.
3. You may not sublicense the Software.
4. The Software may include portions offered on terms in addition to those set out here, as set out in a license accompanying those portions.
5. You may not subject the Software, in whole or in part, to any license obligations of Open Source Software including without limitation combining or distributing the Software with Open Source Software in a manner that subjects the Software or any portion of the Software provided by Intel hereunder to any license obligations of such Open Source Software. "Open Source Software" means any software that requires as a condition of use, modification and/or distribution of such software that such software or other software incorporated into, derived from or distributed with such software (a) be disclosed or distributed in source code form; or (b) be licensed by the user to third parties for the purpose of making and/or distributing derivative works; or (c) be redistributable at no charge. Open Source Software includes, without limitation, software licensed or distributed under any of the following licenses or distribution models, or licenses or distribution models substantially similar to any of the following: (a) GNU's General Public License (GPL) or Lesser/Library GPL (LGPL), (b) the Artistic License (e.g., PERL), (c) the Mozilla Public License, (d) the Netscape Public License, (e) the Sun Community Source License (SCSL), (f) the Sun Industry Source License (SISL), (g) the Apache Software license and (h) the Common Public License (CPL).

FEEDBACK. This Agreement does NOT obligate you to provide Intel with comments or suggestions regarding the Software. However, should you provide Intel with comments or suggestions for the modification, correction, improvement or enhancement of (a) the Software or (b) the 3D camera, other products or processes which work or interact with the Software, you grant to Intel and/or Intel's licensors (where your comments or suggestions relate to their respective applications that may be included in the Software or the 3D camera) a non-exclusive, irrevocable, worldwide, royalty-free license, with the right to sublicense to Intel's licensees and customers and/or Intel's licensors' licensees and customers, under your intellectual property rights, the rights to use and disclose such comments and suggestions in any manner Intel or Intel's licensors choose, and to display, perform, copy, make, have made, use, sell, and otherwise dispose of Intel's and Intel's licensors' and their licensee's products embodying such comments and suggestions in any manner and via any media Intel and/or Intel's licensors choose, without reference to the source.

OWNERSHIP OF SOFTWARE AND COPYRIGHTS. Title to all copies of the Software remains with Intel or its suppliers. The Software is copyrighted and protected by the laws of the United States and other countries, and international treaty provisions. You may not remove any copyright notices from the Software. Intel may make changes to the Software, or to items referenced therein, at any time without notice, but is not obligated to support, update or provide training for the Software. Except as otherwise expressly provided, Intel grants no express or implied right under Intel patents, copyrights, trademarks, or other intellectual property rights.

LIMITED MEDIA WARRANTY. If the Software has been delivered by Intel on physical media, Intel warrants the media to be free from material physical defects for a period of ninety days after delivery by Intel. If such a defect is found, return the media to Intel for replacement or alternate delivery of the Software as Intel may select.

EXCLUSION OF OTHER WARRANTIES. EXCEPT AS PROVIDED ABOVE, THE SOFTWARE IS PROVIDED "AS IS" WITHOUT ANY EXPRESS OR IMPLIED WARRANTY OF ANY KIND INCLUDING WARRANTIES OF MERCHANTABILITY, NONINFRINGEMENT, OR FITNESS FOR A PARTICULAR PURPOSE. Intel does not warrant or assume responsibility for the accuracy or completeness of any information, text, graphics, links or other items contained within the Software.

LIMITATION OF LIABILITY. IN NO EVENT SHALL INTEL OR ITS SUPPLIERS BE LIABLE FOR ANY DAMAGES WHATSOEVER (INCLUDING, WITHOUT LIMITATION, LOST PROFITS, BUSINESS INTERRUPTION OR LOST INFORMATION) ARISING OUT OF THE USE OF OR INABILITY TO USE THE SOFTWARE, EVEN IF INTEL HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. SOME JURISDICTIONS PROHIBIT EXCLUSION OR LIMITATION OF LIABILITY FOR IMPLIED WARRANTIES OR CONSEQUENTIAL OR INCIDENTAL DAMAGES, SO THE ABOVE LIMITATION MAY NOT APPLY TO YOU. YOU MAY ALSO HAVE OTHER LEGAL RIGHTS THAT VARY FROM JURISDICTION TO JURISDICTION. THE SOFTWARE LICENSED HEREUNDER IS NOT DESIGNED OR INTENDED FOR USE IN ANY MEDICAL, LIFE SAVING OR LIFE SUSTAINING SYSTEMS, TRANSPORTATION SYSTEMS, NUCLEAR SYSTEMS, OR FOR ANY OTHER MISSION CRITICAL APPLICATION IN WHICH THE FAILURE OF THE SOFTWARE COULD LEAD TO PERSONAL INJURY OR DEATH. YOU SHALL INDEMNIFY AND HOLD INTEL AND THE INTEL PARTIES HARMLESS AGAINST ALL CLAIMS, COSTS, DAMAGES, AND EXPENSES, AND REASONABLE ATTORNEY FEES ARISING OUT OF, DIRECTLY OR INDIRECTLY, THE DISTRIBUTION OF THE SOFTWARE AND ANY CLAIM OF PRODUCT LIABILITY, PERSONAL INJURY OR DEATH ASSOCIATED WITH ANY UNINTENDED USE, EVEN IF SUCH CLAIM ALLEGES THAT AN INTEL PARTY WAS NEGLIGENT REGARDING THE DESIGN OR MANUFACTURE OF THE SOFTWARE. THE LIMITED REMEDIES, WARRANTY DISCLAIMER AND LIMITED LIABILITY ARE FUNDAMENTAL ELEMENTS OF THE BASIS OF THE BARGAIN BETWEEN INTEL AND YOU. INTEL WOULD NOT BE ABLE TO PROVIDE THE SOFTWARE WITHOUT SUCH LIMITATIONS.

TERMINATION OF THIS AGREEMENT. Intel may terminate this Agreement at any time if you violate its terms. Upon termination, you will immediately destroy the Software or return all copies of the Software to Intel (including providing certification of such destruction back to Intel). In the event of termination of this Agreement, all licenses granted to you hereunder shall immediately terminate.

APPLICABLE LAWS. Claims arising under this Agreement shall be governed by the laws of Delaware, excluding its principles of conflict of laws and the United Nations Convention on Contracts for the Sale of Goods. You may not export the Software in violation of applicable export laws and regulations.

GOVERNMENT RESTRICTED RIGHTS. The Software is provided with "RESTRICTED RIGHTS." Use, duplication or disclosure by the government is subject to restrictions as set forth in FAR52.227-14 and DFAR252.227-7013 et seq. or its successor. Use of the Software by the government constitutes acknowledgment of Intel's proprietary rights therein. Contractor or Manufacturer is Intel Corporation, 2200 Mission College Blvd., Santa Clara, CA 95052.

CONFIDENTIALITY. You shall not disclose the terms or existence of this Agreement or use Intel's name in any publications, advertisements, or other announcements without Intel's prior written consent. You do not have any rights to use any Intel trademarks or logos.

ASSIGNMENT. You may not delegate, assign or transfer this Agreement, the license(s) granted or any of your rights or duties hereunder, expressly, by implication, by operation of law, by way of merger (regardless of whether you are the surviving entity) or acquisition, or otherwise and any attempt to do so, without Intel's express prior written consent, shall be null and void. Intel may assign this Agreement, and its rights and obligations hereunder, in its sole discretion.

ENTIRE AGREEMENT. The terms and conditions of this Agreement constitutes the entire agreement between the parties with respect to the subject matter hereof, and merges and supersedes all prior, contemporaneous agreements, understandings, negotiations and discussions. Neither of the parties hereto shall be bound by any conditions, definitions, warranties, understandings or representations with respect to the subject matter hereof other than as expressly provided for herein. Intel is not obligated under any other agreements unless they are in writing and signed by an authorized representative of Intel.

NO AGENCY. Nothing contained herein shall be construed as creating any agency, employment relationship, partnership, principal-agent or other form of joint enterprise between the parties.

SEVERABILITY. In the event that any provision of this Agreement shall be unenforceable or invalid under any applicable law or be so held by an applicable court decision, such unenforceability or invalidity shall not render this Agreement unenforceable or invalid as a whole, and, in such event, such provision shall be changed and interpreted so as to best accomplish the objectives of such unenforceable or invalid provision within the limits of applicable law or applicable court decisions.

WAIVER. The failure of either party to require performance by the other party of any provision hereof shall not affect the full right to require such performance at any time thereafter; nor shall the waiver by either party of a breach of any provision hereof be taken or held to be a waiver of the provision itself.
